## **TERMS AND CONDITIONS**

**Email:** - andrea@wildsidetravel.nz

**Bank Transfer** - **ANZ 06-0507-0871753-01**

Please use **WILDSIDE /Surname** as your Reference

**Credit Card** – add 1.3% fee. Phone this through to us.

### **Final Payment**

Will be due 8 weeks prior to departure. **Monday 03 February 2025.**

### **Cancellations:**

If **Wildside Travel** cancels the trip due to advice from our Ground Operators or suppliers and cannot provide the tour due to sudden Boarder restrictions, and other reasons beyond our control, you are due a refund of all refundable services paid less an admin fee of \$180 per person. Or monies can be deferred for 2026. If **you** wish to cancel, your deposit remains non-refundable, if you have paid in full prior to 03 February a refund will be calculated according to Airline and Accommodation refund policies. **No refunds will be given after 03 February.** We recommend you take out insurance cover early (minimum of 5 weeks prior to travel), so you are covered for money paid at any time. If you leave the trip to come home early, again there is no refund for unused portions.

**COVID** If you chose to travel at the present time, you do so knowing the situation post Covid is continually changing. You acknowledge that you understand the possibility you, or your travel plans, may be negatively impacted before, during or after your travel. In this fluid environment, you make a decision knowing that those negative impacts may include, but are not limited to, attractions being closed, travel and transport services being impacted, facilities being understaffed, last-minute changes, or new self-isolation rulings and additional costs incurred as a result.

### **Insurance:**

Travel insurance is one of those things that travellers often regret not taking when it's too late. Whilst of course an incident-free travel experience is the goal, the unexpected or unavoidable will sometimes occur. By taking out travel insurance you can arm yourself with a level of protection generally against the likes of stolen or lost luggage, delays, cancellation, medical emergencies and vehicle hire, providing peace of mind for your travel investment. I highly recommend having travel insurance for other unforeseen circumstances, and Covid does have reasonable scenario cover, so please discuss your policy options. Example: an 17 day policy starts at \$128 for basic cover for a person under 50yrs.

### **Prices**

All prices stated herein are based on a 'group rate' set at current 2025 pricing and a minimum of 10 persons travelling. We are holding allotments on all service. Any changes (if at all) will be notified early and well before any due dates. Should we not reach 10 persons, there may be a price adjustment for those booked, and it would be at your own discretion to continue at the adjusted price or not (funds refundable in this scenario).

## Our Ground Operator

After a successful 2024 we are thrilled **Tours Around Tasmania** will host and guide our visits, activity and walks throughout this fabulous itinerary.

## Room Types

Pricing is based on Double or Twin-share – 2 persons sharing a room.

We are holding allotments and should availability of this room type be unavailable, alternative categories will be offered, and notified early.

If you would like to book a **Single Room** there will be an additional charge of **\$1,800** paid over and above the package price. For other categories, please ask. \*\*Note two of our stops have limited single rooms, which may require a '2 bedroom' arrangement for those nights. First in first serve.
