If you leave the trip early to come home, again there is no refund for unused portions.

COVID If you chose to travel, you do so knowing the situation regarding Covid-19 is continually changing. You acknowledge that you understand the possibility you, or your travel plans, may be negatively impacted before, during or after your travel. In this fluid environment, you make a decision knowing that those negative impacts may include, but are not limited to, attractions being closed, travel and transport services being impacted, facilities being understaffed, last-minute changes, unexpected lock downs or new self-isolation rulings and additional costs incurred as a result.

Insurance:

Travel insurance is one of those things that travellers often regret not taking when it's too late. Whilst of course an incident-free travel experience is the goal, the unexpected or unavoidable does sometimes occur. By taking out travel insurance you can arm yourself with a level of protection generally against the likes of stolen or lost luggage, delays, cancellation, medical emergencies and vehicle hire, providing peace of mind for your travel investment. Having travel insurance for other unforeseen circumstances, please discuss your policy options. Example: a 8 night/9 Day policy starts at \$97 for basic cover for a person under 50yrs.

Prices

All prices stated herein are based on a 'group rate' set at current 2025 pricing. We are holding allotments on accommodation and flights. Any changes (if at all) will be notified early and well before any due dates.
